

# COVID-19

Everything Corona Virus and MAK Dental Group

## WHAT TO EXPECT FROM MDG

You will call or text the office upon arrival, We ask that everyone wear a mask! A team member will take your temperature and have you sign any relevant consent forms, You will have a seat in our waiting room that is set up for social distancing. After your treatment area has been COMPLETELY sanitized a clinical team member will accompany you to the clinical area.

---

## WHAT WE EXPECT FROM YOU

We will do our best to protect our patients and we ask that you help us do so. If any of the following pertain to you we ask that you postpone dental treatment.

-Fever or any flu like symptoms

-Traveled outside of the country within the last 2 weeks

-Have been exposed to anyone with COVID symptoms

Visit [CDC.GOV](https://www.cdc.gov) if you have any questions about COVID-19 or possible symptoms

---

## \$10 INFECTION CONTROL CHARGE

The dental world is seasoned to infection control. However, dental offices are the highest aerosol health profession. After COVID-19, we have stepped up our sanitation protocol for the safety of our team and your family. Personal protective equipment has become more expensive with the high demand. The infection control fee will help our practice keep aerosols at a minimum.

The following sanitation equipment will be added-

Air purifiers | Face shields | N95 masks | Disposable hair covers

Disposable shoe covers | Disposable Gowns | Thermometers

We are scheduling less patients per day to allow for social distancing. To continue providing excellent dental care as a small business, the \$10 infection control fee is necessary. Thank you for understanding!
